## WINEMAN STORE IS PURCHASED

J. B. Wineman Sells his Grocery Store to N. L. Minter of Arendtsville. Possession to be Given in the Spring.

J. B. Wineman has sold his grocery store, Centre Square, to N. L. Minter, of Arendtsville, the transfer to take place in the Spring.

Mr. Wineman has been in the grocery business in Gettysburg for nine years for the first few years of this time conducting his business in the rooms on Carlisle street now occupied by R. E. Zinn's grocery store. Several years ago he erected the substantial business building on Centre Square, the first floor of which he now occupies, the balance of the structure being used by the Eiks.

During Mr. Wineman's business career in Gettysburg he has earned the respect and patronage of a large number of customers. His reason for retiring from the retail merchandise business is in order to be able to take up some occupation less confining. Mr. Wineman has not yet determined what business he will adopt after Mr. Minter takes charge.

Mr. Minter for many years has been conducting a restaurant and confectionery store in Arendtsville which he is now offering for sale. He also did some printing business and is well and favorably known in Gettysburg and the upper end of the county.

## ANOTHER APPLE CANNING FACTORY

Musselman Canning Company to Extend Operations by Erection of New Plant either at Orrtanna or Gardners. Definite Plans soon.

The Musselman Canning Company of Biglerville has in contemplation the erection in the very near future of a plant of similar size and capacity to their present factory either at Gardners Station or at Orrtanna.

The Biglerville plant, which has been a great success under the efficient management of Mr. Musselman, has a capacity of one thousand bushels of apples per day and employs about 115 hands. It is proposed to have the new plant handle the same amount of fruit and employ an equal number of persons. Cider and boiler rooms will be similar to those at the Biglerville plant.

Several matters are now pending which must be settled before definite announcement can be made as to the plans of the company. The railroad switches will have to be placed to accommodate the factory and the location of buildings and so on will depend in a large measure on this. It is expected that all details can be completed before the close of next week.

The erection of such a plant will mean much to the locality in which it is placed. Both Orrtanna and Gardners are centers of profitable apple territory and many orchardists will have a source of disposing of their apples for canning who are now almost too far away from the Biglerville plant to get their fruit to that place.

It is the intention of the Musselman Canning Company to be ready for next year's business and, as soon as possible, the work of putting up buildings will be started.

## WON BASKET BALL CONTEST

Susquehanna University Quintet Defeated by Gettysburg College Basket Ball Team on Local Floor. Dance after Game.

Gettysburg College defeated Susquehanna University at basket ball in the college gymnasium on Thursday evening in easy fashion by the score of 50 to 17.

The visitors were completely outclassed, having practically no team work and lacking accuracy in shooting. Gettysburg ran away with the game in the first half which ended 30 to 5. In the second period the locals' playing was somewhat ragged and Susquehanna rolled up several goals, but Gettysburg soon got together and carried the half 20-12. Middlesworth put in for Susquehanna near the end of the game, caged three pretty goals in the last few minutes of play.

Diehl shot eight goals from play for Gettysburg while Fluhrer and Leathers also helped pile up a score. Fluhrer showed that he had recovered his foul shooting ability by throwing eight goals out of nine attempts. The summary:

Gettysburg	Positions	Susquehanna
Fluhrer, Capt.	Forward	Folmer
		Middlesworth
Diehl	Forward	Whitmore
Leathers	Centre	Swope
Brumbaugh	Guard	Trego
Beagle	Guard	Boyer

Goals from field—Fluhrer 6; Diehl 8; Leathers 5; Brumbaugh 2; Middlesworth 3; Swope 3; Boyer. Folmer Goals from fouls—Fluhrer 8; Trego 5; Diehl 2—20 minutes. Referee, Philippy. Timekeeper—Fritsch.

After a game an hour and a half dance was given by the college band many of the spectators remaining for the affair which proved enjoyable to the participants and a good financial venture for the band.

## TRUOPS ON WAY TO CRUSH REVOLT

Eight Killed and Nine Injured  
in Juarez Rioting.

## MUTINEERS CAPTURE CITY

Stores Are Looted and Wrecked and  
Prisoners Released From Jail—Riot-  
ers Drunk on Fruits of Their Vic-  
tory.

Mexico City, Mex., Feb. 2.—President Madero was informed by General Orozco that he was starting from Chihuahua for Juarez with 500 troops to put down the revolt of the garrison, in which eight persons were killed, nine injured and the municipal government overthrown.

The president believes this force will be able to restore the government, but in the event of further rioting he is prepared to send more troops.

President Madero declared that the trouble arose from an attempt to muster out a portion of the garrison and that it had no political significance.

### Juarez Stores Looted.

El Paso, Tex., Feb. 2. — With the stores wrecked as completely as if a cyclone had struck them, the merchandise bedecking the persons of the mutineers or piled in their homes throughout the city, all railroads cut to the south of them to prevent troops coming from the national or state capital, the 500 mutinous soldiers, who took charge of Ciudad Juarez and spent the night rioting and looting, are secure for the time being.

During the day they elected their own officers and repaired to their barracks, drunk upon the fruits of their victory, pillaged from the saloons, their pockets laden with the goods and coin taken from the stores.

Throughout Wednesday night the looting of the town continued, and the biggest general store in the place, that of Ketelsen & Degetau, German subjects, carrying a stock valued at \$250,000, being burned. Picard Brothers, French subjects, operating the Three B store in Juarez, claim their loss from looters totals \$80,000. Other losses were not so heavy, but the total extent of the looting is \$200,000 in addition to the destruction by fire.

The mutineers had information that federal troops had been ordered to Juarez from Mexico City and that Maderista soldiers, headed by Pascual Orozco, were coming from Chihuahua.

To meet this exigency the mutineers burned bridges and telegraph wires for several miles south of Juarez on the Mexican National and Mexico Northwestern railroads and posted guards to watch for the approach of the troops.

The mutineers declare they have no fear from the troops in Chihuahua nor Torreon; that these troops will refuse to fire upon them, but will join them on arrival. The mutineers have been claiming that General Orozco would join them, but Consul Lorente declares that Orozco is loyal to the existing government.

Americans who visited Juarez claim to have counted eight dead and to have seen nine wounded men as a result of the orgies, but the mutineers claim that only three were killed.

## TWITCHING NERVES

Bangor Man Was Tortured—Could Not Sleep.

It would be very hard for anyone to convince Mr. Samuel Bruch of Bangor, Pa., that he had not been wonderfully benefited by Vinol. He says:

"Owing to weakness of the nerves, which were constantly paining me and twitching so that I could not sleep at night, I was weak and rundown. Hearing that Vinol was an excellent tonic and strength creator I commenced using it and immediately began to feel much better. My nerve trouble left me and I can now sleep better than I have for a long time."

"I can truthfully say that Vinol has done all for me that is claimed for it."

The reason Vinol did Mr. Bruch so much good is because it gave him new strength and built up his health in general, just as it does for all weak, nervous, rundown people—just as it will do for you if you are that way.

Vinol is sold on our positive guarantee that it must help you or you get your money back. People's Drug Store, Gettysburg, Pa.
